Gentlemen,

In your advertisement in the Sunday New York TIMES for Robert Penn Warren's WHO SPEAKS FOR THE NEGRO?, you identify Lolis Elie, "New Orleans lawyer for the NAACP." This is incorrect, for as Mr. Warren notes on page nine of his book, Mr. Elie is (and has been for some years) CORE's lawyer there, and indeed the mainstay of CORE's entire legal program in the south (along with his partners Dellins and Douglas).

I would hope that in future advertisements for this excellent book that Mr. Elie would be correctly identified.

Yours truly,

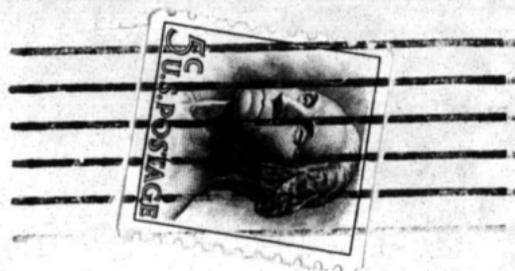

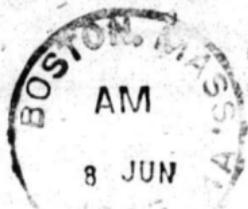

*Alan Gartner*
