OFFICE OF  
VICE PRESIDENT  
FOR SPECIAL PROJECTS

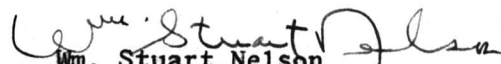

August 4, 1964

Mr. Robert Penn Warren  
2495 Redding Road  
Fairfield, Connecticut

Dear Mr. Warren:

I hope you have not despaired of hearing from me. President Nabrit's absence from the country for some seven weeks has doubled my responsibilities and greatly reduced my already little time for personal pursuits. I expect to surprise you by the early return of the interview transcript.

Sincerely yours,

  
Wm. Stuart Nelson  
Vice President
