

Fairfield, Connecticut, May 2, 1964

Dear Mr Dendas:

I am sending 8 tapes, 4 by Dr Kenneth Clark, 2 by James  
aldwin, 1 by Roy Wilkins, 1 by Ralph Ellison.

The tapes by Clark have one stray among them -- not in  
the series, but it is dates to distinguish from others. Keep  
this distinction, please.

The Roy Wilkins, too, is a stray -- transcribe it with  
number here to place in proper series already done by you.

Please have a check made of tapes in your hands to see if  
another Ralph Ellison is there. I thought that it was. In any  
case, let's transcribe this one now.

No problems about aldwin, thank God for small favors.

I enclose a check.

Thanks and regards,

Robert Penn Warren
