

Dear Nan:

I have just checked again on the phrase: "affecte au MI5." And it is correct. According to the Larousse the verb affecter may be used to indicate being attached to, or assigned to, a military or other organization. Bien!

So in a world of total confusion we have this great truth to cling to.

Yrs, warmly,

THIS SIDE OF CARD IS FOR ADDRESS

Mrs Gay Talese,
RANDOM HOUSE, Inc.,
457 Madison Avenue,
New York City.
