Dear Mr. Warren:

We wish to thank you very much for your generous offer to appear at the Student Nonviolent Coordinating Committee party in Boston.

At present, we hope to hold the party on Friday evening, February 25 or March 4. Either of these dates is all right with John Updike and the choice is therefore yours. Would you please call us collect in Cambridge (868-0939) to let us know which you prefer so that we can complete our plans?

If you agree, we would like to make the party a reading followed by a reception. Mr. Updike has agreed to read some of his own work; the total reading part would probably be around an hour, divided between you.

Thank you again for helping us out at this moment of desperate financial need. We really appreciate it.

Very truly yours,

Mrs. Janice Campbell
