Dear Mr. Warren:

We are sorry, indeed, that you will not be able to participate in the 1964-65 Lecture Series at Southern University. However, we are looking forward to your visit next year with great expectation. If it is alright with you, I will contact you in September regarding the possibility of your visiting Southern University during the spring of the 1965-66 school year.

It might interest you to know that the following persons are participants in the Lecture Series for this year: Dr. Eli Ginzberg, December 11; Ambassador Franklin H. Williams, February 15; Dr. Max Lerner, March 17; Dr. Whitney M. Young, Jr., April 5; Mr. Granville Hicks, April 14.

President Clark sends his regards.

Sincerely yours,
