Dear Mr. Warren:

As you requested, I am enclosing a copy of the paper I read at Howard two weeks ago. Dr. Fishman and I have two previous papers coming into print. The first has just appeared in the current issue of The American Journal of Orthopsychiatry. The second paper on Youth and Social Action will appear in the next issue of The Journal of Social Issues. We also have an unpublished study of students demonstrating for peace and disarmament; please let me know if you would be interested in seeing a copy of this paper as well.

It was a great pleasure to make your acquaintance at Howard, and I hope that we shall meet again soon.

Sincerely,

Fredric Solomon, M.D.
