Mr James Farmer,
CORE,
38 Parl Row,
New York City 38.

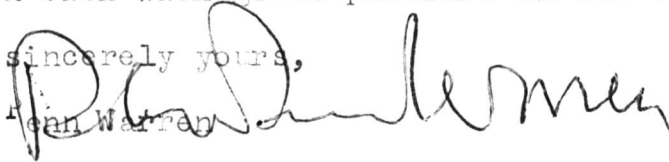

Dear Mr Farmer:

Here is a copy of the transcript of our conversation. It is rather ragged in part, as you see, but will be very valuable to me. Can you make any corrections, and return to me in the enclosed envelope? I'll be very grateful, for I know how pressed you are.

I look back with great pleasure on our conversation.

Very sincerely yours,

Robert Jean Warren

PS. By the way, I did not get the biography material laid out for me. Is it too much to hope that it might be sent me here?
Many thanks!
