additional  
Herewith the/corrections to be made in the  
third printing. Both AE and I have spoken  
to you about these, and he has also marked  
a Xerox of the more difficult correction  
that is to be made in the index.

p. 69 - line 20 - should read - stereotype

p. 338 - line 18 - should read - jealousy

p. 189 - line 9 - should read - Congress

You already have the correction list of  
two pages in length that were made for the  
Vintage edition.
